The BIG Picture

Whether it's your first time fundraising for Yellow Yorkshire or you've joined us every year since we started. The question is: why are we all here dressing up, dancing, baking and generally getting creative?

Simply the answer to this is all the incredible, funny, downright imaginative things you do to raise money help save lives and keep our two air ambulance's flying in the skies across Yorkshire.

Since it began, in 2014, Yellow Yorkshire Day has helped to raise thousands of pounds for the Yorkshire Air Ambulance, so we really can't thank you enough for coming together again in 2021 and Turning Yorkshire Yellow!

Turn Yorkshire Yellow &...

We have listed a few of our favourite fundraising ideas to do at home.

Help us save lives across Yorkshire and raise vital funds, whilst having fun!

1. Turn Yorkshire Yellow &...WEAR IT!

Ask your friends, family, neighbours or work colleagues to wear something yellow and make a donation. Keep it simple with a yellow item or go all out and go head to toe in yellow. You could even add a little yellow make-up, face paint or glitter!

Why not brighten up those work video calls and ask your colleagues to take part! Don't forget to take some photos and share them with us.

2. Turn Yorkshire Yellow &...MAKE IT!

Knit or sew your own crafts and gifts. Have a competition to make sock puppets or see who can decorate a room in the house the best. Get creative in the kitchen and see who can make the best ice-cream or yellow ice-lollies or turn your favourite alcoholic beverages yellow and host a virtual party for donations.

3. Turn Yorkshire Yellow &...BAKE IT!

Hold a bake off and discover who the top baker is!

If you don't fancy using our helicopter cutter, you could try making a yellow sponge cake, cakes with yellow icing, yellow cupcakes or even yellow cookies, biscuits or glazed doughnuts.

You could ask your neighbours for a donation and leave them a sweet treat on their doorstep.

4. Turn Yorkshire Yellow &...GUESS IT!

Sweets in a jar is a fundraising classic, but who's to say that old ideas are the best?

Or how many pound coins in a (yellow) sock? How many yellow ducks in a paddling pool?

You could also be the Yorkshire Quiz master and hold your very own 'All things Yellow quiz'!

5. Turn Yorkshire Yellow &...PLAY IT!

Put your skills to good use and turn Yorkshire Yellow by playing a musical instrument, playing a sports game in the garden or even hosting an online gaming marathon.

6. Turn Yorkshire Yellow &... RUN IT!

For those runners out there, how about turning your daily run yellow. Dress head to toe in yellow and ask your friends, family, neighbours and colleagues to sponsor you.

8. Turn Yorkshire Yellow &...RIDE IT!

If you go out for a cycle you could go dressed completely in yellow and ask friends, family, neighbours and colleagues to sponsor you. You would be sure to spread cheers in your local area as you add sunshine to the cycle paths & streets.

7. Turn Yorkshire Yellow &... PAINT IT!

Bring out your vibrant side and paint for Yellow Yorkshire Day. Paint fun things and then auction them off online or send photos to family and friends and ask them if they would like to make you an offer!

10. Turn Yorkshire Yellow &...WALK IT!

Why not take your daily walk dressed head to toe in Yellow!

About Gift Aid

As an independent registered Charity, the Yorkshire Air Ambulance is entitled to HMRC's Gift Aid scheme. It basically means that for every £1 donated, we can claim back a further 25p from the government. So a £1 donation would become £1.25, a £5 donation boosted to £6.25 and a £10 donation increased to £12.50 and so on. It's a great way to boost your donation at no extra cost! Please note we can only claim Gift Aid on personal donations, and not business or corporate donations.

Please ask your donors to fill in the Gift Aid Declaration form on our website (you can find it here yaa.org.uk/gift-aid-declaration/) to make their donation eligible for Gift Aid.
